About

Montclar Objekt

is a subsidiary brand of Montclar devoted to crafting modern furniture pieces on an industrial scale. Led by designers with extensive international work experience, Montclar Objekt aims to strike a delicate balance between form and functionality, while demonstrating a keen sensibility for creating timeless designs.

Montclar Objekt exemplifies exquisite craftsmanship by implementing premium materials, meticulous attention to detail, and integrating state-of-the-art technology. This commitment ensures enduring quality and effortless maintenance of their products, showcasing the brand’s inherent sophistication.

Design Principles

Simplicity

Emphasis on clean lines, minimalism, and uncluttered forms. Scandinavian design tends to avoid excessive ornamentation, keeping the design simple and subtle.

Functionality

One of the core elements of Scandinavian design is crafting functional, user-friendly products. MO’s products are specifically designed to cater to the demands of everyday life.

Natural Materials

Utilizing materials from nature such as wood, leather, and wool in order to create a warm and inviting atmosphere.

Light and Airy

Infusing the interior with natural light while utilizing gentle, subtle color palettes, fostering a feeling of openness, airiness, and playfulness.

Timeless
Aesthetics

Aiming for longevity and timelessness. MO’s products are designed to withstand changing trends and remain relevant for years to come.

Sustainability

Encouraging the adoption of sustainable materials and practices rooted in environmental awareness.

Human-centered
Design

Prioritizing the needs and comfort of users. Ergonomics and usability are integral to MO’s design process.

Versatility

Focusing on versatility and adaptability, resulting in products that are fitting for diverse spaces and uses.
